✓ About Me

Self-motivated MERN Stack Developer with practical experience in building responsive and performance-optimized web applications. Skilled in React.js, Node.js, Express.js, and MongoDB, with a focus on clean UI/UX, scalable code, and mobile-first design. Currently pursuing BCA and actively working on real-world full-stack projects, including PWA-enabled ecommerce platforms. Enthusiastic about learning, problem-solving, and contributing to collaborative development environments
